SAFRAN EUROPEAN WORKS COUNCIL
PRESS RELEASE

SAFRAN: A NEW EUROPEAN WORKS COUNCIL FOR THE 2018-2022 MANDATE

On October 10. 2010, the Safran European Works Council was renewed with the implementation of the new 2018-2022 term of office

An expanded committee

This committee now comprises 42 seats (full and deputy members) with representatives from the main local union organizations affiliated to IndustriAll Europe: CFDT, CFE-CGC, CGT, FNV, FO, IG Metall, OS-KOVO and Unite.
It also includes representatives from Zodiac Aerospace which is now part of the European scope of Safran consisting of nine countries: France, United Kingdom, Germany, Belgium, Czech Republic, Poland, Spain, Netherlands and Finland.

Parity for the Bureau

The new Bureau (Executive Committee), unanimously elected, is made up of six members: three men and three women making professional equality a reality at European level in the representation of the Group's employees.

Many challenges ahead

The Committee committed to keeping up the momentum initiated by the previous term of office with the aim of further improving its efficiency to cope with a rapidly changing environment: integration of Zodiac, Brexit, evolution of the aeronautics market, Leap ramp-up, technological innovations.
